Dear Henry Cornelius:

I am a graduate student in the School of Computer & information Science, Syracuse University. I will finish my M.S. in Computer & Information Science in the spring of 1993. I am interested in the position of MPP system software engineer in your company.

I have obtained a M.S. degree in computer science in mainland China in 1988. Before I come to the US, I have five years working experience in both computer application and system software. For details of my backgound, please refer to the resume enclosed.

Thank you for your attention.

Sincerely,

Gang Cheng
