

The 19th Hole

"IOS vs Android: A User's Perspective"

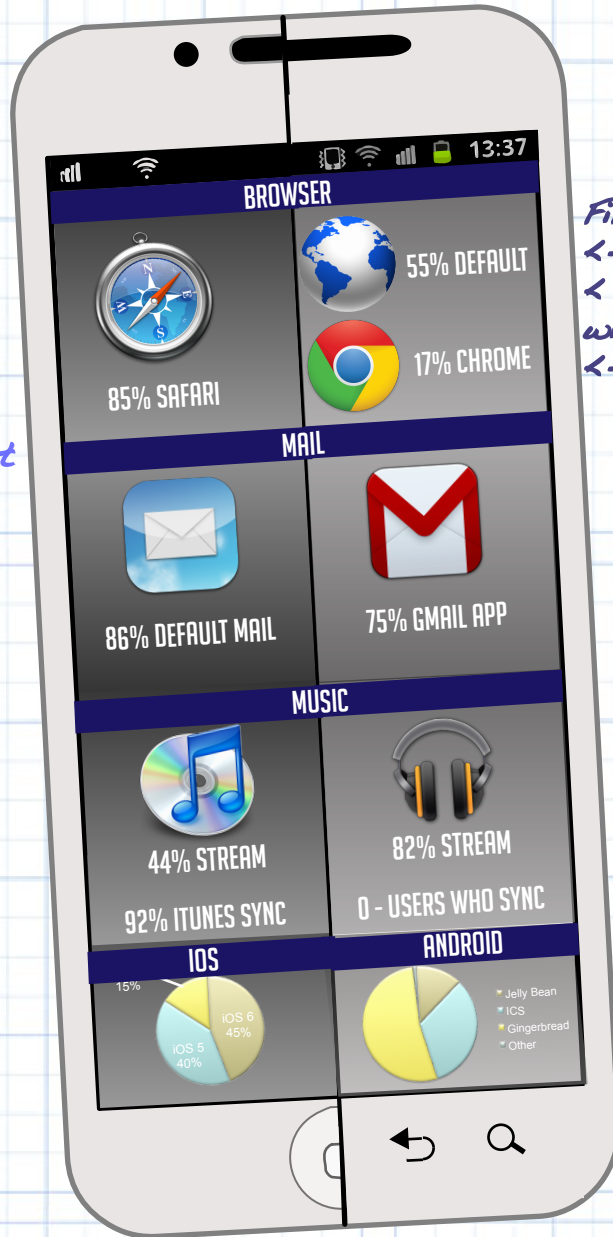

1. Gather group schedules and determine when we can meet consistently

2. What should we present for our midterms?

3. Need to brainstorm interview questions... topics to think about

 Student

DUE: Midterm
 October, 22nd

✓ go over presentation roles

Final Dues:

- ← Highlight differences
- ← Create poster with neat phone graph
- ← Also need video

~~How do we want to go about this? Should we just do surveys?~~

★ bardzell thinks we should do interviews and see if we can find the "story" ★

How can we show the difference between qualitative & quantitative DATA??

~~maybe colors?~~

FINAL PRESENTATION! - Final Paper on 12th December 3rd?
