TO WHOM IT MAY CONCERN

This is to certify that Mr. Pawan Kumar Maurya is a D. Phil (Ph.D.) Scholar in the Department of Biochemistry, University of Allahabad. I know him since last three years. He has secured first position in M.Sc. and has also qualified CSIR-NET Exam. During this period, he has learned several techniques involved in modern biochemistry and has also visited Industrial Toxicology Research Centre, Lucknow and Aligarh Muslim University, Aligarh to learn techniques. He has attended the 32nd ACBI conference.

He is exceptionally devoted hard working student and has the qualities to become a good researcher. If given a chance he can prove himself as an asset to the institution where ever he finds a position

I wish him success in his future.
