

I would like to introduce myself as a research officer in International AIDS Vaccine Initiative project at Vaccine trial Centre at Tuberculosis Research Centre. I have completed my PhD entitled "Seroepidemiology of Dengue in Tamil Nadu and Immunological and Molecular approach for rapid diagnosis" at Department of Virology, King Institute of Preventive medicine, Chennai.

I have experienced in Cell Culture (mammalian cultures & insect culture), Animal Handling and Molecular Virology. I have designed ELISA, PCR and DIA For Dengue. I have already worked in Polio, HSV, Coxsackie B, JE, West Nile, and measles. I came to know about the position through website and i am interested to apply for the same. I am enclosing my resume for your kind consideration

Thanks

Yours sincerely  
Jayashri
