

I am Zahid Hussain, diligent, flexible, supportive, interested to learn the new techniques in this field.

I am going to submit my Ph.D very soon. My field of specialization is molecular virology related to hepatitis.

I have five international papers in this field.

I am very excited to work in your prestigious laboratory.

Hope you will help me to get the pdf position.

Looking forward to hear from you soon.

Thanking you

with kind regards,

Sincerely yours

Zahid Hussain

Work Eligibility: No, I am not currently in possession of a US work permit.
