

Rachida benalla
3 Street attaif, Apt #2
10000 Rabat, Morocco
Phone number: 011(212)78258784
Email: benallar@yahoo.com

Objective

- Research scientist position in Analytical Chemistry, Inorganic Chemistry, physical chemistry, Chemical Engineering or Environmental Chemistry.
- In search of a teaching position in chemistry or foreign language.

Work Experience

- [Researching in chemistry.](#)
- [Experience in analytical technique and working knowledge of quantitative analysis.](#)
- Teaching of physical chemistry.
- Formation of monitors of driving school.
- Accounting.

Careers

- **Nov. 2002-Present:** Regional Academy of Education and Formation. Ministry of Education-Rabat-Morocco, **Accounting.**
- **Nov. 2001-Oct. 2002:** High School -Morocco, **Teaching physics and chemistry.**
- **July 2001; Nov.-Oct. 2001:** Code Rousseau-Morocco, **teaching driving course.**
- **Nov.-Dec 2000** [National Laboratory of Drug Control-Morocco, research, Analyze and controls of drug.](#)
- **Nov.- Dec.1994 ; May-July 1996 ; Jan.-April 1998:** [Laboratory of Materials and Membrane Processes. National High School of Chemistry of Montpellier-France, Research for new membrane processes.](#)
- **Sept. 1992- July 2000:** [Laboratory of Material and Separations Process. School Mohammadia of Engineers- Morocco, Research for new membrane processes and characterization of fuel cells.](#)

Education

- **(1993-2000)** Doctorate in Chemistry. School Mohammadia of Engineers. Rabat-Morocco.
- **(1992-1993)** Certificate of high studies: Chemistry of Solid. Faculty of Science. Rabat-Morocco.
- **(1987- 1992)** Licence in Chemistry. Faculty of Science. Rabat-Morocco.

Languages and other skills

- French and Arabic: Fluent; English: oral and write (intermediate); German: Concepts.
- Technical experience: Word, Excel, PowerPoint and Access.
