To whom it may concern

This is to certify that DR. Rekha Khushiramani has worked as Research Associate in Indian Council of Medical Research (ICMR) research project entitled "Monoclonal antibody based ELISA system to detect Malaria antigen in cerebrospinal fluid for diagnosis of cerebral malaria" from Dec 2001 to Dec 2002. She had developed hybridoma and characterized monoclonal antibodies against *Plasmodium falciparum* under the research work of the project. Her work was satisfactory. She is hard working and sincere scientist. To best of my knowledge she bears a good moral character.
