

Dear Sir

I have been working as a DBT-Postdoctoral Fellow at Centre for DNA Fingerprinting and Diagnostics (CDFD), Hyderabad, India for the last two years. I am presently working on a project entitled "Molecular etiology of esophageal cancer in Kashmir-a high incidence area in the world". I obtained Ph.D from Department of Biochemistry, AMU, Aligarh, India. I have a strong background in Molecular Biology, Biochemistry, Cancer Biology and Toxicogenetics with excellent technical skills.

Being highly interested to work in your laboratory as a postdoctoral fellow, I am hereby attaching my CV along with the names of the referees. Kindly consider my candidature for the postdoctoral position in your laboratory.

Thanking you,

Sincerely,

Javid Ahmad Dar, Ph.D
