

Get your head in the clouds.

December 7–12, 2008

University Place Conference Center & Hotel
Indianapolis, Indiana, USA

<http://escience2008.iu.edu>

The e-Science 2008 conference will bring together leading international and interdisciplinary research communities, developers, and users of e-Science applications and enabling information technologies. The conference is a forum for the latest international research and product/tool developments.

Call for Participation

Now accepting papers and proposals for: tutorials, posters, exhibits and demos, and workshops and special sessions. For manuscript and submission guidelines and important dates please see the 2008 e-Science Web site: <http://escience2008.iu.edu>.

- Enabling Technologies: Internet and Web Services
- Collaborative Science Models and Techniques
- Service-Oriented Grid Architectures
- Problem Solving Environments
- Application Development Environments
- Programming Paradigms and Models
- Resource Management and Scheduling
- Grid Economy and Business Models
- Autonomic, Real-Time, and Self-Organising Grids
- Virtual Instruments and Data Access Management
- Sensor Networks and Environmental Observatories
- Security Challenges for Grids and e-Science
- E-Science for applications including Physics, Biology, Astronomy, Chemistry, Finance, Engineering, and the Humanities
- Web 2.0 Technology and Services for e-Science
- Cloud Systems and Applications

Financial assistance

Financial assistance will be available to a limited number of students through the eScience 2008 Education, Diversity and Broadening Participation program. For information on this program please visit the Web site at <http://escience2008.iu.edu>.

Important Dates

► **Papers Due:** July 20, 2008

Notification of Acceptance:
September 7, 2008

Camera Ready Papers Due:
September 29, 2008

► **Tutorial Submission Deadline:**
July 20, 2008

Notification of Acceptance:
September 7, 2008

Final Abstract Due:
September 29, 2008

Final Handouts Due:
October 15, 2008

► **Posters, Exhibits and Demos Submission Deadline:**
September 14, 2008

Notification of Acceptance:
September 28, 2008

► **Workshops and Special Sessions Submission Window:** May 16–June 20, 2008

Initial Acceptance Notification and Feedback Starting:
May 23, 2008
